

**ACTION HISTORY OF RTI REQUEST No.TACPO/R/2018/80004**

**Applicant Name :-** Gopal Viswakarma

**Text of Application**

I want to know about measure for drain & pavage to make in a town area. And also tell me about right to Town Area Chairman & ward member.

**Reply of Application**

Municipal acts in India prescribe in general, functions, powers, responsibilities and roles for the Chairman and Ward Members. Construction and maintenance of Public Street including roads and drainage is one of the obligatory functions of the Urban Local Bodies as per the Act. The Urban Local Bodies (ULB) fall under the State government jurisdiction, therefore there are no uniform provisions for all ULBs in different states. Therefore applicant may approach the concerned Urban Local Body of the town for specific information. The dimension of drainage depends upon the terrain, slope, road width , water flow etc.
